That sounds good to me for the 1st. Also if you still wanted to talk I am available most of the day today.

Lionel,

I have put together a draft travel schedule for Emmanuelle and I for the week of November 28, 2016. It is attached. I know Phyllis Wittsell is trying to set up a meeting of all the CSAs that week to introduce Emmanuelle to the group. I have not yet heard back from her. My suggestion to Phyllis is a lunch meeting either Tuesday, November 28, or Thursday, December 1, with an option of a breakfast meeting on Friday, December 2.

I know we had talked last week about trying to have a meeting with Hopi Tribe staff about the HAMP. Can that happen Thursday, December 1? A Friday morning, December 2, meeting about the HAMP works for me, but I know Emmanuelle plans to travel home on Friday, December 2.

Thanks...
